ENVIRONMENT, HEALTH & SAFETY POLICY

ISO 9001 : 2008 Organization

The company being a good corporate citizen assumes its business and ethical responsibility to create a safe & healthy workplace for its employees and clean Environment. We are committed to this corporate citizenship goal.

Keeping in line with the company's vision, we shall aspire for continuous improvement in all our activities including Environment, Health & Safety (EHS).

We are committed to have –

01. Standard Operating Procedure to bring into focus any infringement/deviation/violation of environmental conditions.
02. Hierarchical system in the company to deal with environmental issues and ensuring compliance to the environmental clearance conditions.
03. System of reporting of non compliance/violation environmental norms to the Board of Directors.

We are committed to improve our manufacturing processes to reduce the waste load on the Environment.

We at DELTA FINOCHEM PVT. LTD will train our employees and make them aware to reach this goal.
